

FABIEN V. RUTZ

FOUNDING PARTNER

SKILLS AND EXPERIENCE

Mr. Rutz's areas of legal expertise are judicial and non-judicial resolution of commercial disputes, employment/labour law and white-collar crime. With a triple specialisation in International arbitration (certified by the Swiss Arbitration Academy), employment/labour law (certified by the Swiss Bar Association – SBA) and criminal procedure law and investigation (certified by the Swiss School of Criminal Judiciary – ERMP), he has worked on several complex cases involving cross-border issues. In addition to the traditional judicial activity, he regularly advises small and medium sized enterprises and private individuals on Swiss and international contracts as well as on commercial law.
