

TOBIAS ZELLWEGER

FOUNDING PARTNER, PHD

SKILLS AND EXPERIENCE

The main areas of interest of Dr Tobias Zellweger are constitutional and administrative law. He regularly deals with cases related to public and private infrastructures (land settlement, construction, transport, environment, expropriation), fundamental rights, immigration law, international administrative assistance, health law, public service law, public procurement law and crossborder cooperation between public entities. He is the author of a doctoral thesis on cross-border public transports between Geneva and neighbouring France. His clients are public authorities, private companies and individuals. He offers them both legal advice and legal representation.
